

Eagle Vision Partner Letter
Days of Heaven

January 2007

Dear Partner,

I pray this letter finds you thanking God for helping you to soar over the storms of life. I believe 2007 will be an awesome year for those that have proven themselves faithful to God. When you are willing stay connected God through tough times, He will bring you into the good times. Joseph is a great example of this. Although he was thrown into the pit and into prison, his rewards were greater than his suffering. When you stay in God's will, the end is always greater than the beginning! The same thing happened with Job. He went through a lot at the beginning, but the end was far greater than the beginning. The Bible says God gave Job double for his trouble. You see, anytime God's people seek Him with their "whole heart" in the midst of trouble, He will always turn things around. **Psalm 126** ¹ *When the LORD turned again the captivity of Zion, we were like them that dream.* ² *Then was our mouth filled with laughter, and our tongue with singing: then said they among the heathen, The LORD hath done great things for them.* ³ *The LORD hath done great things for us; whereof we are glad.* ⁴ *Turn again our captivity, O LORD, as the streams in the south.* ⁵ *They that sow in tears shall reap in joy.* ⁶ *He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him.*

The people sowed in tears, but they reaped in joy!

The Bible tells us in **Philippians 1:6** *Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ:* So as long as you continue to trust God, He will perform His Word. **We are the generation that has been destined to finish strong!** God has been conditioning His church for sometime. The Bible says in **Psalm 66:12** *Thou hast caused men to ride over our heads; we went through fire and through water: but thou broughtest us out into a wealthy place.* We've been through the fire and the water, now it's time to experience the wealthy place! God always honors His Word. You see there is a set time and a season for everything. In **Ecclesiastes 3:1** it says *To every thing there is a season, and a time to every purpose under the heaven:* **Psalm 102:13** says *Thou shalt arise, and have mercy upon Zion (the church): for the time to favour her, yea, the set time, is come.* If you have pre-qualified yourself by being faithful to God, He says in **Proverbs 28:20** a faithful man shall (obligated) abound in blessings! **You should thank God because no matter what you've been through, you've made it through!** Just don't look back because your faithfulness is about to be rewarded!

I believe that God has predestined the year 2007 to be a year to remembered for His people. 2006 was a year to prepare us for what is to come in 2007. I believe that we will experience days of heaven. I'm declaring divine health, no lack, financial increase and debt freedom over all our faithful members, partners and supporters.

Some people barley made it through 2006, but praise God, you made it! I believe God will raise up David's this year. You see David did not forget God in the midst of great spoils. Because he maintained his praise in the field, God ended up giving him the kingdom. At a set time, God brought him from rags to riches. I believe the Lord is doing the same thing with you and me, so get ready for days of heaven in 2007!

Steps to Reaping

- Be obedient to the voice of the Lord.
- Confess the Word daily & possess your promise land.
- Maintain your praise "in" the rough times.
- Don't forget to keep God first as He blesses your life. (Matthew 6:33)
- Stay where you've been planted.
- Aim to be a blessing and follow the voice of God like never before!

In His Righteousness,
